In the fall of 2000, Boston University opened 10 Buick Street, an air-conditioned, apartment-style residence located on the west end of campus in the Student Village complex. Each unit has four single-occupancy bedrooms, two bathrooms, a small kitchen and a living area. Bedrooms are furnished with a twin bed, desk and chair, dresser, and include a closet. Kitchens are equipped with a refrigerator, sink, stove, and microwave oven, but kitchen supplies or utensils are not provided. Living areas are set comfortably with a sofa and chairs along with a dinette set. There is also a television in the living area, and iron with ironing board in the living area closet. Please refer to the floor plan below for a typical apartment at 10 Buick Street.

Guests are supplied with bed and bath linens and basic amenities including soap shampoo and conditioner. Beds are made prior to arrival. Daily maid service is **not** provided. For long-term programs, linens will be changed and trash will be removed once a week. Linens can also be exchanged at the Front Desk at any time, and trash rooms are available on each floor with extra bags available upon request at the front desk.

The Buick Street Market & Café, located on the ground floor, stocks convenience food items including whole meal solutions, organic and natural options, and a grab 'n' go section, and features a Dunkin' Donuts, Charles River Bread Company for gourmet sandwiches, and Loose Leafs for tossed-to-order salads. This residence also has several common areas that can be reserved by guests staying in the building, including a rooftop lounge and several small meeting rooms on the lower level. Laundry facilities and vending machines are available on the ground floor of the building.

Located just steps outside the front door of 10 Buick Street is Boston University's Fitness and Recreation Center. This 270,000 square foot facility features cardiovascular and weight equipment, two pools, a 35-foot high climbing wall, indoor elevated jogging track, dance theater, seven multi-sport gyms, and courts for racquetball and squash.
